

2011

GDA member has become and ADA spokesperson

Deborah Beauvais, RD, CDN, SNS, of Hilton, NY, has been named to the position of ADA Spokesperson representing her special area of practice: school nutrition. Her three year term began June 1, 2011. Deborah will be joining a well-respected group of registered dietitians that serve as the voice of ADA and RDs in the media. Deborah is the supervisor of district school nutrition services at Gates Chili Central School District and East Rochester UFSD where she oversees nine food service sites and sixty employees, serving an enrollment of 5,600 students. Her areas of expertise include school nutrition and meals, food service management, and food safety.
